7. Terms and Conditions

Terms and Conditions

- I hereby declare that the information in this document is true and correct.
- I accept the terms and conditions as set out in the by-laws and regulations by the relevant City Council for the control of electricity and water, as revised from time to time.
- I understand that this meter is a **SUB METER** and are not intended to **replace any primary meter** already installed by the local authorities.
- Although all effort will be made to ensure that the correct tariff is loaded on the sub meter it is the responsibility of the owner to verify the correctness thereof.
- The tariff will be set according to the **Tariff Calculator**.
- It is the responsibility of the owner to give the correct tariff/rate for the prepaid sub meter, if this is not done the prepaid meter will be set to a default tariff until the owner corrects it.
- If the Equipment was supplied and installed by ICEE Metering Solutions (no longer than 1 year), and it becomes faulty due to technical reasons, a new meter will be installed free of charge, in the event of the meter becoming faulty or being damaged as a result of tampering, interfering illegal operation, abuse or the use of the meter contrary to the instructions of the manufacturer concerned. In such circumstances, a new meter will be reinstalled by ICEE Metering Solutions but be invoiced at the full replacement and installation cost thereof which will then be payable to ICEE Metering Solutions by the Owner/Client of the Premises. The Owner/Client concerned shall make its own arrangements to recover any such expenses from the consumer/occupant/party that was responsible for the damage caused to the Equipment concerned directly.
- The parties acknowledge that ICEE Metering Solutions is entitled to a **service fee of 15%** of your purchase to drive the vending services offered.
- All damaged meters or faulty meters must be reported within 24 HOURS
- **A R400 excl vat call out fee is applicable to all call outs.** Should the meter be faulty due to technical reasons, the call out fee may be waived.
- ICEE Metering Solutions shall not be liable to the Owner/Client for any liability, loss, expense, claim, action or damage suffered or sustained by that party, or any other party, howsoever arising, unless such liability, loss, action, expense, claim or damage arises out of or pursuant to an intentional or grossly negligent wrongful act or omission of ICEE Metering Solutions.
- ICEE Metering Solutions shall not be liable to the Owner/Client or any other party, in any circumstances whatsoever for any indirect, contingent or consequential loss sustained or incurred by such party howsoever arising, and of whatsoever nature, including but not limited to loss of profits, whether or not both parties or either party contemplated such losses or damages at any time.
- **A R400 excl vat call out fee is applicable to all inspections**
- I accept that in the event of unauthorized re-connection of services or tampering with meter and wiring, the end consumer will be fined R1000.00.
- We will assist every single customer to the best of our ability at all times, however, that does not include overruling any company policy or processes. Processes and procedures have been put in place for the services we provide to work smoothly and ensure that all steps in meter purchasing, registration, delivery and vending are done correctly. Without following process, we will not be able to give you a good service in the future that you can be happy with.
